

Limelight Ketchum Community Fund

The Limelight Hotels work hard to connect meaningfully to the communities in which we operate, because healthy communities make for happy employees and guests. The Limelight Ketchum Employee Fund, a donor advised fund of the Idaho Community Foundation, is one of our connections to the Wood River Valley. The Fund is governed by an employee board and will support nonprofits in the valley. These can include specific areas of need, such as early child-hood education, environmental stewardship, and youth development.

Please consider making a paycheck deduction to support your community. Contributions are tax deductible. The hotel will contribute a minimum of \$20,000 each fiscal year. As the hotel's revenues grow, so too will contributions. Hotel guests will also have the opportunity to support the Wood River Valley through a \$1-per-night donation to the Fund.

More valuable than the grants is our model of philanthropy: we work collaboratively with our employees, empowering them to learn about issues facing their community and then to decide where to spend their donations. AND, while doing that you are sharing the profits of the Limelight Hotel Ketchum with your community.
