Protecting What Inspires Us

The mountains, rivers, and communities that surround us inspire every bottle we select. We are committed to building a thoughtfully sourced wine program that prioritizes responsible farming, sustainable production, and producers who care for their land and communities for generations to come.

Caring for Community Fund

The Limelight Mammoth Community Fund is fueled by employee paycheck contributions, optional guest donations, and matching support from Aspen One. We are committed to donating a minimum of \$20,000 every year.

\$1 per night supports local nonprofits providing programming for homelessness, healthcare, mental health, and education—right here in Mammoth Lakes and across the Eastern Sierra.
